

MANICHIGAN 1942

We the People of the United States, in
Order to form a more perfect Union,
establish Justice, insure domestic
Tranquility, provide for the common
defence, promote the general Wel-
fare, and secure the Blessings of Lib-
erty to ourselves and our Posterity,
do ordain and establish this Constitu-
tion for the United States of America.

[Preamble to the Constitution]

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain inalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness, that to secure these rights, governments are instituted among Men, deriving their just powers from the consent of the governed

[From the Declaration of Independence]

1942

PROEM

Four years we've worked from
sun to sun
For our trip to Washington.
Now that our four-year-dream's
come true,
We leave the shade of it
for you.
We felt the heart-beat of our
Nation,
And give this book in dedication.

FOREWORD

Today we are students of Manistee High School. Upon us devolves the duty of upholding, to the best of our ability, the ideals and traditions which, for over half a century, have been a guiding influence in the lives of successive generations of earnest high-school students. Loyalty to Manistee High and to one another — fellowship, democracy, grateful for the Blessings of Liberty — we uphold the Spirit of the Blue and Gold.

The 1942
MANICHIGAN
is
affectionately dedicated
to
FRANK C. SUDA
Supervisor of Music
who
last June
enlisted
in the Military Service
of our
Country

CLASS HISTORY

It was the beginning of our freshman year that our class under the sponsorship of Mr. Rex Ganser and Miss Francis Leach and led by Alex Topping, president, Kenneth Olson, vice president, and Jane Hanson, secretary-treasurer, together with the freshman council of home room representatives decided that for our Skip Lay we would visit our nation's capital Washington, D. C. We realized it would be a long hard fight but we were game and started in with enthusiasm. One of the projects started at once was our PTA bazaar, managed by Lea Thompson, that continued to run for three years and proved to be a great success. That year we also took over the annual spring paper and bottle drive and managed to have a lot of fun while we worked.

The next year we returned to school bubbling with energy and ambition and started in to go places. We still had our bazaar and we added activities such as holding rummage sales, taking waste paper to sell, removing the old rough seats in the gym and installing smooth new benches (thereby saving hundreds of pairs of socks stockings from destruction), painting bleachers, holding used magazine sales, everyone working, cooperating with one goal in mind, Washington. But we rested from our labors to have an all sophomore party in the fall and a picnic in the spring. Our train was guided this year by Mr. Ganser and Miss Karl, Natalie Reed with Alex Topping as president, Lea Thompson vice president and Jane Hanson as secretary-treasurer, all studying the time table and helping us keep on the right track.

As upper classmen our leaders were Alex Topping, president, Jack Gann, vice-president, Edna Van Andel, treasurer, and Dawn Smith, secretary. Our thoughts turned to better things and we decided to trip the light fantastic this year so we started out with junior dancing lessons in the early part of the year. But we did not forget our work. To the flourishing Lazar project now managed by Evelyn Marks we added candy sales. Some of us were still taking waste paper, selling advertising for school programs and working on the new paper and poster campaign and at Christmas time our class brightened Maristee and vicinity by singing Christmas carols for all who would listen. All this was interspersed with roller skating parties through out the year. And in the spring our J-Hop with the gym decorated, better than ever, being in perfect condition. Our class was the first to initiate the idea of doing something for those who were unable to go to the J-Hop, and gave two theatre parties for them.

As seniors we rounded the last curve of the track and Washington was

in sight. Chief engineer Alex Topping, now an old hand at the throttle, was assisted by Dawnen Hill as vice president with Richard Cook in the department of parking and disbursements and Jane Hans in again keeping our records straight. An ambitious group of seniors gave dinner after games, refreshments and candy at PTA and made totrall programs. In April our train pulled into our destination our voices broke into three loud cheers for the Class of 1942!

ORCHIDS TO BETTY

The outstanding example of great courage and generalship in the second world today is General Douglas MacArthur in Manistee High School it is Betty Sundbeck.

Showing dauntless courage and sheer determination in the face of a ravaging disease Betty has succeeded in graduating with her class doing most of her work in bed in the University of Michigan hospital.

Her faith and courage are qualities which have won the admiration and the respect of the entire student body and faculty.

Below is a poem written by Betty while in the hospital. It was first printed in Newsweek, a publication put out by patients of the University Hospital who participated in hospital school, occupational therapy, special activity, case work, and library.

WHEN THEY MANIPULATE

Joints do hurt and joints do ache,
What do they do but manipulate.
They put on cap and stockings too,
You'll find a hypo waiting for you.
In comes the cart and down you'll go,
You're scared stiff, but you won't let them know.
The anesthetic you'll get and out you'll go,
What they're doing, you'll never know.
You'll wake from sleep and wonder why
It is so late. How time does fly!
At first, I'll agree, you will feel sore,
But when you see how you can move, —
Well, you'll want more.

Mr. Gonser

Miss Reed

SENIOR CLASS SPONSORS

It has been fun, don't you agree? From the day we entered this freshmen until that glorious night when we received our diplomas. Oh yes, there was work, hard work, and a lot of it. We did have one advantage on our side though. We had two of the grandest sponsors anyone could hope for.

Miss Reed and Mr. Gonser. They were never discouraged themselves but what they could lift the spirits of the class above any disappointment. They always found time to review our plans, whether trivial or of the utmost importance. They gave generously of their time and effort no matter what occasion. And what's come of this three-fold combination—work, fun, and two fine sponsors? Successful projects, projects, and parties are the result. And last but by no means least, no one of us will ever forget the time we spent in our nation's capital from April 13 to 17.

There is one choice we cannot make we are incapable of making; we will not choose the path of submission and suffer the most sacred rights of our nation and our people to be ignored or violated. The wrongs against which we now array ourselves are no common wrongs; they cut to the very roots of human life

— Woodrow Wilson

OUR LIBRARY STAFF

In fall of 1941, the library was opened for student and faculty use. New books were purchased, including many novels and recent non-fiction, as well as children's books. About a dozen magazines are also available for reading. The following have been given by donors:

These have been Agnes Marie Anderson, Harley Forster Willard Hanson, Richard Janesheske, Julianne Johnson, Ralph K. Ki, Ida Mae Krogen, Evelyn M. Miller, Mrs. M. E. F., and others.

The following were donated by the community:

Donor: [Name] has contributed a card catalogue and other materials which will help in the keeping of the books.

MANISTEE HIGH SCHOOL PLACEMENT SERVICE

The Placement Service is a department of the high school boy and girl who are interested in and employers who are about to graduate. Both of these groups are free of charge. The service is free of charge and free of charge to the employer and the student.

Many people in the community need the service that the Placement Service, and, for that reason the Service is to fit the student to the job that is open.

It is important that the service will be a service for all kinds of laborers. The service is to take that are left and by those who have been in the service. In that way we can help.

The Service has been in the service since the beginning of this century and it is still in the service.

M. H. S. FOOTBALL SEASON
1941

Chris F. Thompson, 19, star of the Dallas Mavericks, a reserve
senior with a number of 10 attempts. The International reserves practice
before the opening game with Frankfurt. That night, in the 10th Frankfurt
it was defeated 14-1. As the season night, however, it was a 14-11
reserve power of the team was tested.

A week of practice and I. The first of the North Me. game was at 6. There was a hard fight as the team threatened several times, but could not score.

[illegible]

The 1990 World War III Super Bowl took place on Live at the Trocadero, the Twenty-Ninth Annual Trocadero Super Bowl, in the Big Eight.

It was our first trip West and we had a very good time. We played football at Traverse City. Even though it was a pretty good game, the referee was a little bit of a cheat. We lost the game, but we had a good time. A week later played a game with the team from Traverse City. They were a very tough Fremont team 7-0.

[illegible]

Cricket was the "Exhibition" sport of the season. The first game was Claremont Main line early in the November. The players were presented and a good time was had by all, and the football for '41 came to a close.

VARSIY BASKETBALL SQUAD

M.H.S. SECOND TEAM

M. H. S. BASKETBALL SEASON 1941-1942

Manistee got its first game of the season on Monday, October 14. Manistee led at the half, and Wissner led the scoring with 10 points.

Captains Slink and Christensen were chosen to lead the team this year and they did a very capable job.

In the first non-conference tilt we drubbed Frankfort 40-14. The reserves saw some action in the third and fourth quarters.

In the second conference game Manistee bowed to Higgins 13-17. Although we led in the fourth quarter we couldn't score more than a basket in the final frame.

The Tribe traveled to Grand Rapids to get revenge on Creston, 31-21. The boys played a fine game with Wissner having put man with 12 points.

Traveling to Ludington in a road game the Tribe failed to score and although Wissner scored 13 points the boys lost 40-25.

In another non-conference game Manistee beat Frankfort 31-10. The Tribe led all the way with Wissner scoring 10 and Bolton 9.

Manistee was scheduled to meet Hart team at school on Monday, November 18. Because of the early semester this was Slink's last game.

In the fourth conference tilt Manistee lost to the undefeated team, Traverse City 20-23. This was the last game of the year for the Tribe. Bolton led the scoring with 10 points.

In the return game with Ludington the boys were defeated 23-11. Although they were the better team it was a hard game. Tappan scored 7 out of the 11 points for Manistee.

A final tilt was played with Manistee now with a record of 14-15. The game was a close one, with Manistee leading at the half. Tappan was the outstanding player, scoring 12 points.

Manistee's record for the season was 14-15. The boys played a fine game in the final tilt, but they were out of sync in the fourth quarter. The Tribe lost two mostly free throws with Manistee coming out on top.

The final game of the season was a tie game, Vikings vs. the team from Frankfort. The Tribe lost to the Vikings 13-13. Tappan led the scoring with 9 and Schrader 7. The Tribe was undefeated in its game of the year.

[illegible]

Fremont 33-24 to take the title. The game was close all the way with 33 personal fouls. Topping was high with 13 points.

Marquette defeated Jacksonville 44-32. Topping was high point man with 10 points.

The team received keys and awards as they completed another successful season. With 11 victories, the team finished second in the Big Eight.

We stand ready to serve. There is a war to be won — and we consider it our first duty and real privilege to do our full share in helping to win it. "Preparedness" is a familiar word to a utility. It must always plan and build for the future. That is why Consumers Power Company today stands ready to meet this new emergency with gas and electricity on hand and ready. No matter what we are called upon to do, every effort humanly possible will be made by our people to give industry and you the highest type of gas and electric service possible under existing conditions

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain inalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness, that to secure these rights, governments are instituted among Men, deriving their just powers from the consent of the governed

[From the Declaration of Independence]

We the People of the United States, in
Order to form a more perfect Union,
establish Justice, insure domestic
Tranquility, provide for the common
defence, promote the general Wel-
fare, and secure the Blessings of Lib-
erty to ourselves and our Posterity,
do ordain and establish this Constitu-
tion for the United States of America.

[Preamble to the Constitution]
